

How To Do Research About Your Remembered Child on the Yad Vashem website:

Go to <http://www.yadvashem.org/>

Click on the box that says:

Shoah Victims' Names

- [Search the Database of Shoah Victims' Names](http://www.yadvashem.org/wps/portal/IY_HON_Entrance)
http://www.yadvashem.org/wps/portal/IY_HON_Entrance

The screen will say **To search the Database or submit names** [Click here](#)

Enter the family name, the first name, the location, (just the country is enough)
click on the red "Search" button

This will generate a list from which to choose the name.

When you click on the name you will see available information about that person.

There are additional options to explore on the information page, including more specific details about the person, as well as general information about related concentration camps, transit, etc.

On the left side of the screen will be the actual Page of Testimony submitted on their behalf. Most often, this has been submitted by a relative. It might be possible to locate that individual based on the information they provide.
